

Historical Studies - Henley Fort

Activity	Hazard type	Who may be harmed	Is the risk adequately controlled
General (see also site-specific general hazards)	All hazards	All Participants & staff	Site specific trained and assessed Surrey Outdoor learning and Development (S.O.L.D.) Staff only. Staff must follow operational procedures of activity sessions. See 'general' risk assessment for S.O.L.D. centre.
Human	HG Equipment and Drill - Bumps & knocks	All Participants	S.O.L.D. Staff to instruct how to safely handle replica rifles, broomsticks and helmets. Instructed to avoid injury to self or others. Staff to ensure adequate space between individuals when instructing and marching
	Camouflage Challenge - Bumps and knocks	All Participants	S.O.L.D. staff to demonstrate the challenge and safe handling of equipment. Groups to participate in small numbers to avoid collision.
	Air Raid Activity - Bumping head on roof	All Participants & staff	S.O.L.D. staff instruct individuals to enter one at a time and be aware of low roof.
	Black Out Activity - Eating / Choking on craft materials	All Participants	Safety brief given to participants about eating materials. Under supervision of S.O.L.D. staff
	Black Out Activity - Consumption of paint	All Participants & staff	Non-toxic paint used. Under supervision of S.O.L.D. staff. Brief participants.
Environmental	Fire Smoke - possible smoke drift	All Participants & staff	3 x small, contained fires at a safe distance in a designated area with warning signs. To be supervised at all times.
	Air Raid Activity - Noise/Sound Effects	All Participants & staff	A maximum volume is set on the sound system.

Activity	Hazard type	Who may be harmed	Is the risk adequately controlled
	Camouflage Challenge & Screen Building - Allergic reactions	All Participants & staff	Safety brief at the beginning. Group leaders to ensure that any allergies are reported to centre staff. Ensure participants with asthma or any allergic reactions are known, and appropriate medication is carried.
Equipment	Stirrup Pump Drill - Personal injury when handling metal buckets & pumps	All Participants & staff	S.O.L.D. staff to instruct on correct drill procedure.
	Black Out Activity - Damage to clothing	All Participants & staff	Provision of overalls.
	Bayonet Exercise - Bumps and Knocks	All Participants & staff	S.O.L.D. Staff to instruct how to hold equipment correctly, how to make contact with dummy, to walk and not run, and only practice in delegated area.
